senior living

ST. CLAIR SHORES, MICHIGAN

Normal Memory Loss or is it Dementia?

There is no “normal aging” but there are times when we notice neurological changes that can impact our health and wellness. Learn about the signs to watch for with aging and memory loss and more as well as how to access services for a family member, friend or yourself. Join us to discuss ways to enhance the quality of life for older adults experiencing functional and physical changes related to aging.

Presenter: Carmela Wilder, LMSW

When: Friday November 17, 2017

Where: Wilson Center: Senior Resources for Independent Living
648 St. Clair
Grosse Pointe, MI 48230

Time: 2:00 PM- 4:00 PM

Please RSVP to the Wilson Center at 313.264.6460

Questions? Please call Rachel at 586.218.6228

Call: (586) 218-6228
